Dear Wayne,

I am pleased to inform you that Edibar has successfully completed Honda North America's EDI/Bar Code Software update testing for 2013. By completing this test you have demonstrated that your EDI/bar coding system has been updated to meet Honda's requirements as defined in the 2013 version of Honda's EDI & Bar Code Label Implementation Requirements.

This approval applies to systems comprised of the following software(s):

Gentran, Glovia and the Edibar Release Management System

Please pass on my personal thanks to your team for their assistance during the approval process.

Sincerely,

Jim Murphy
